Fund Raisers

The 1979 Crusader is dedicated to an outstanding group of people who comprise the John Bapst Golden Anniversary Fund Drive Committee. It is dedicated to each and every member with special note to Mrs. Josephine Profita, General Chairperson, and the Very Reverend Richard Harvey, Chairman of the Board, for their unending loyalty and dedication. Because of their efforts, thousands of dollars were raised for renovations, salaries, instructional supplies, a new heating and plumping system, and all around support of the school. This yearbook is dedicated to them not only for this reason, but also because through their generosity and unselfishness they have ensured the continuation of John Bapst as an institute of higher education and more importantly as an institution of Catholic education in the greater Bangor area.

Deserve A Special Thanks.

In these times when little value is placed on the quality of education, it is encouraging to find a group of committed individuals who are willing to work to preserve and to guarantee for the future those educational and moral values which are represented by John Bapst High School. The members of the Crusader staff and the school community as a whole would like to extend a heartfeld thanks to the members of the Golden Anniversary Fund Drive Committee.

Our Administrators

The principal members of any high school administration are the principals. John Bapst High School is fortunate to have as its principal, Mr. Joseph Sekera. Mr. Sekera takes an interest not only in the education of the students at John Bapst but in their over-all social development. As principal he also tries to promote an atmosphere of harmony and unity among the students and faculty.

Assistant Principal, Mr. Raymond Giroux, handles any disciplinary problems which arise at John Bapst. He has the thankless job of trying to maintain order and enforcing the code of behavior at all school functions. Mr. Giroux also acts as a 'go-between' among the students, parents, and Mr. Sekera.

The members of the Board of Trustees comprise the unseen portion of the administration. It is this group of men, however, which is greatly responsible for all the major decisions which affect John Bapst High School.

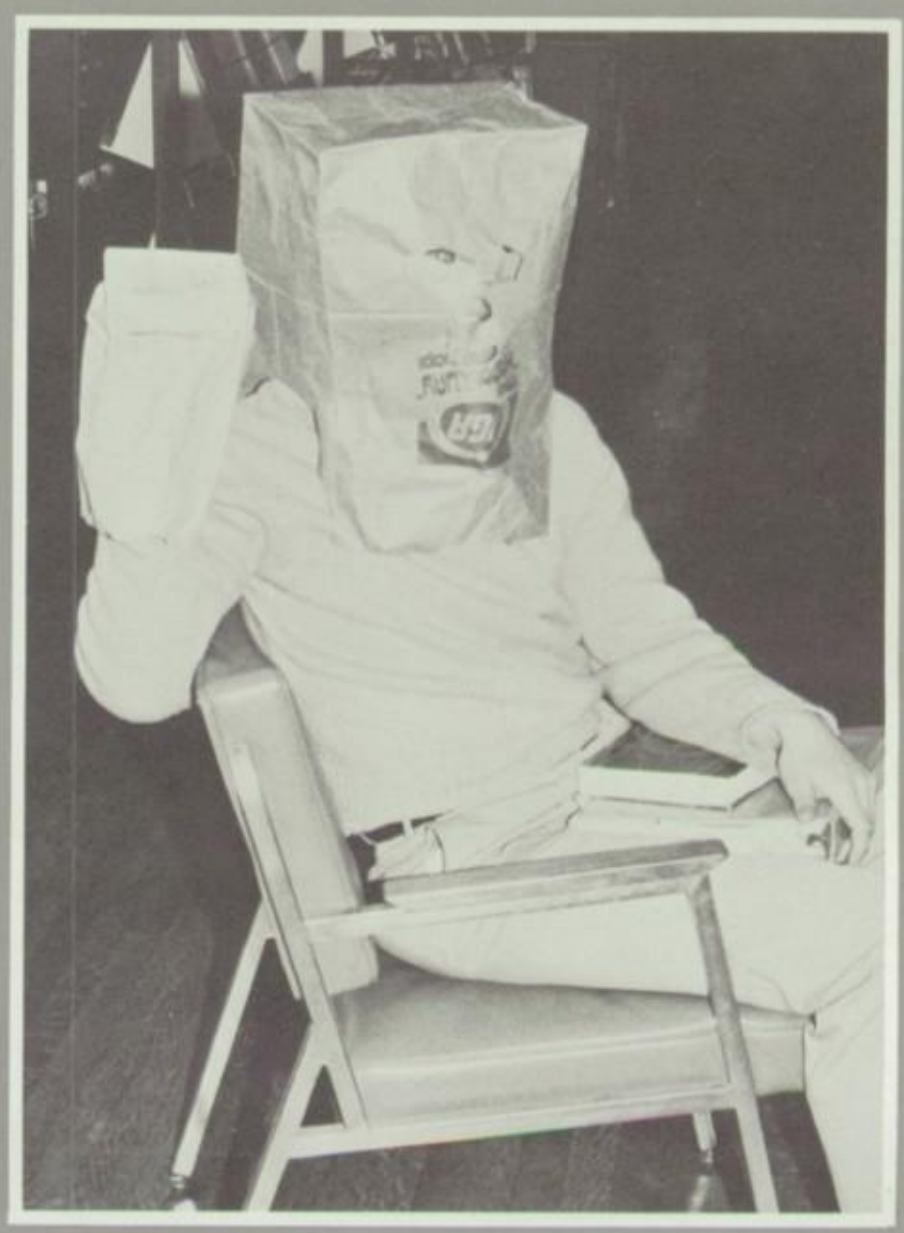
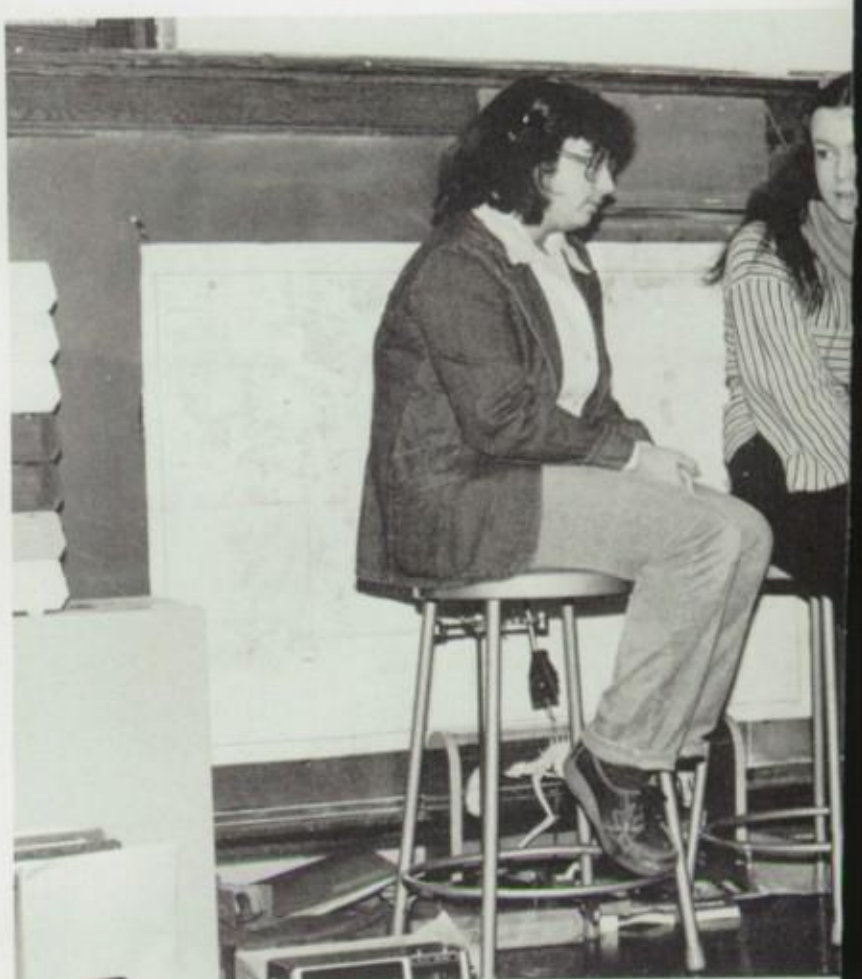
Student Life



Student Life

Academics Are

Although clubs and activities are an important part of school life at John Bapst, academia is the focal point of student life. All extra-curricular happenings are secondary to the priority which the school places on rendering a sound

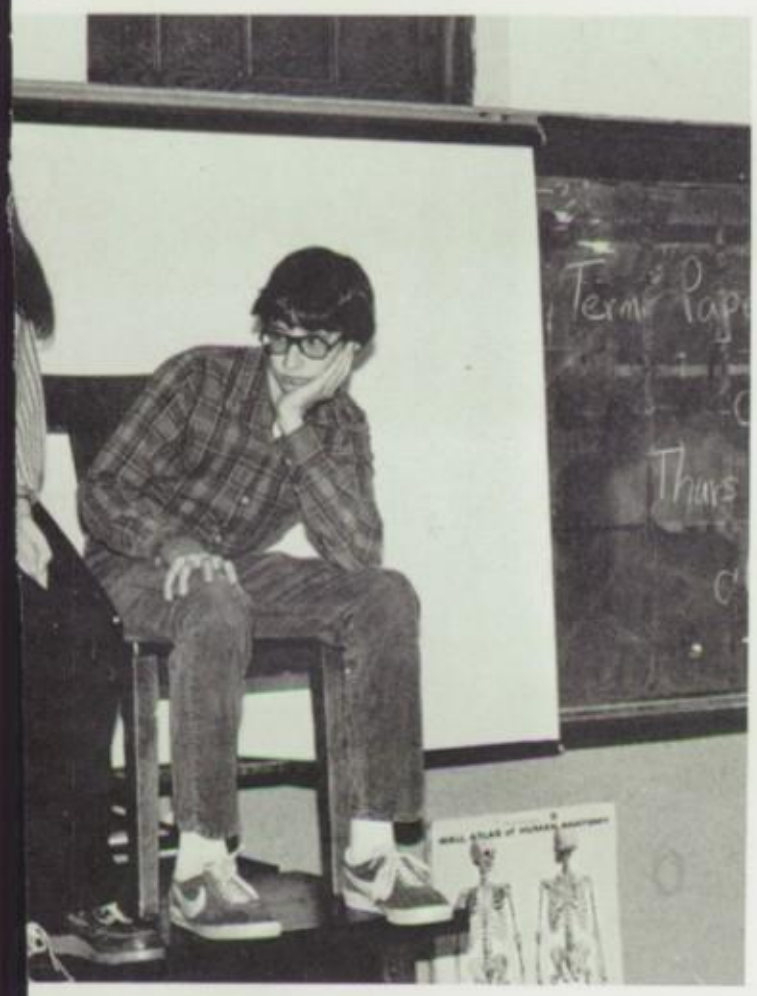


The Focal Points Of School Life.

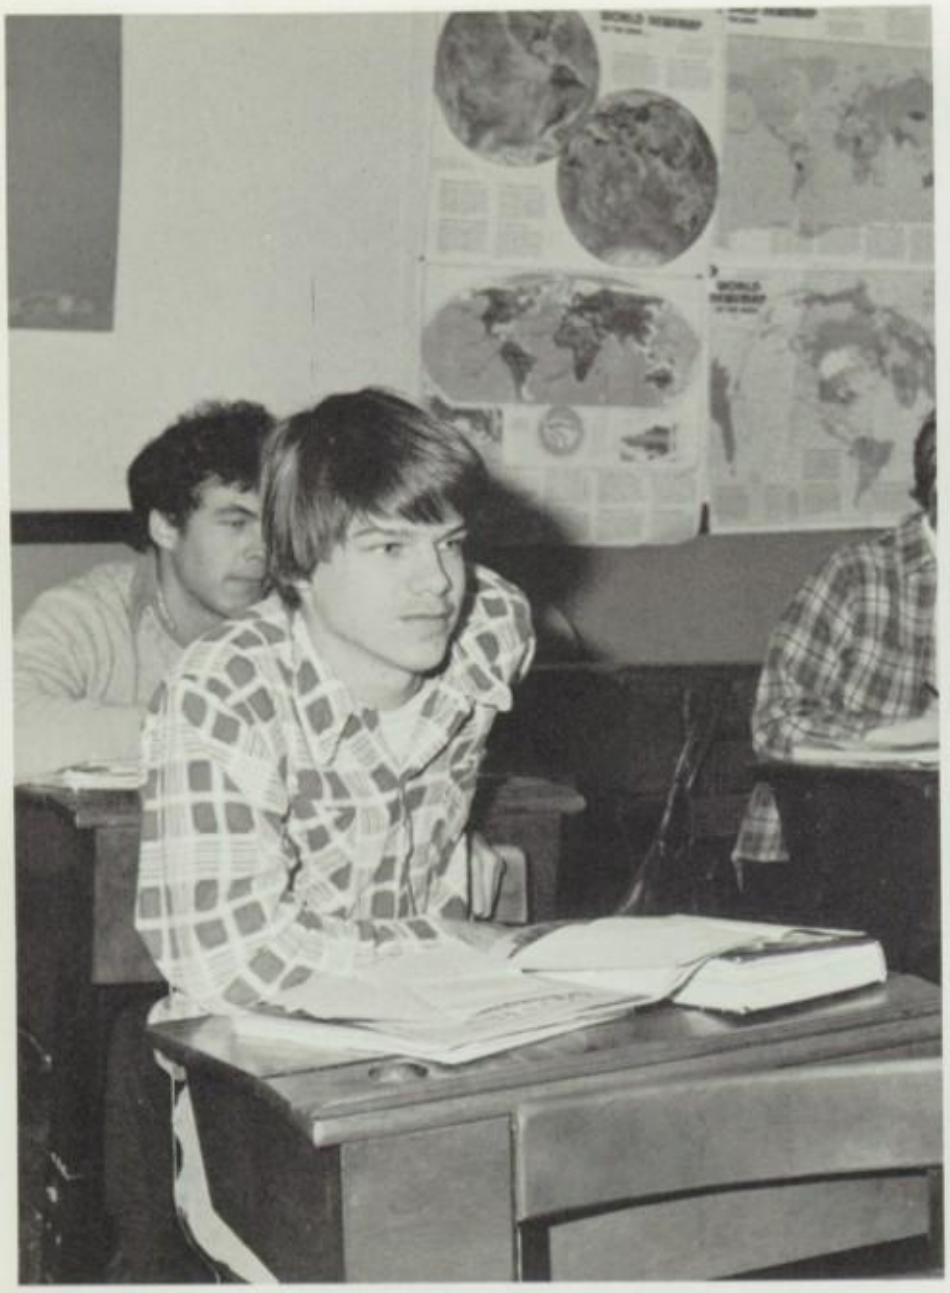
education to each student. Along with the basic required courses, John Bapst offers a wide variety of classes to satisfy the needs of all who attend. The Honor Roll and the infamous "D & F List" signify the emphasis placed on academics by the school administration. These lists recognize outstanding achievement or lack of achievement in the area of academics. These lists serve as an incentive, encouraging students to get and maintain good grades.

The Science and Math departments are more than adequate in their offering with classes ranging from Elementary Algebra to Advanced Biology. Future scientists and mathematicians may choose from Calculus, Trigonometry, Computer Science, Advanced Math, Accelerated Chemistry, Biology I & II in order to fulfill their needed preparation. Students are required to pass two years of a language and they may choose from Latin, French or Spanish. The student who is interested in continuing for more than two years is free to do so.

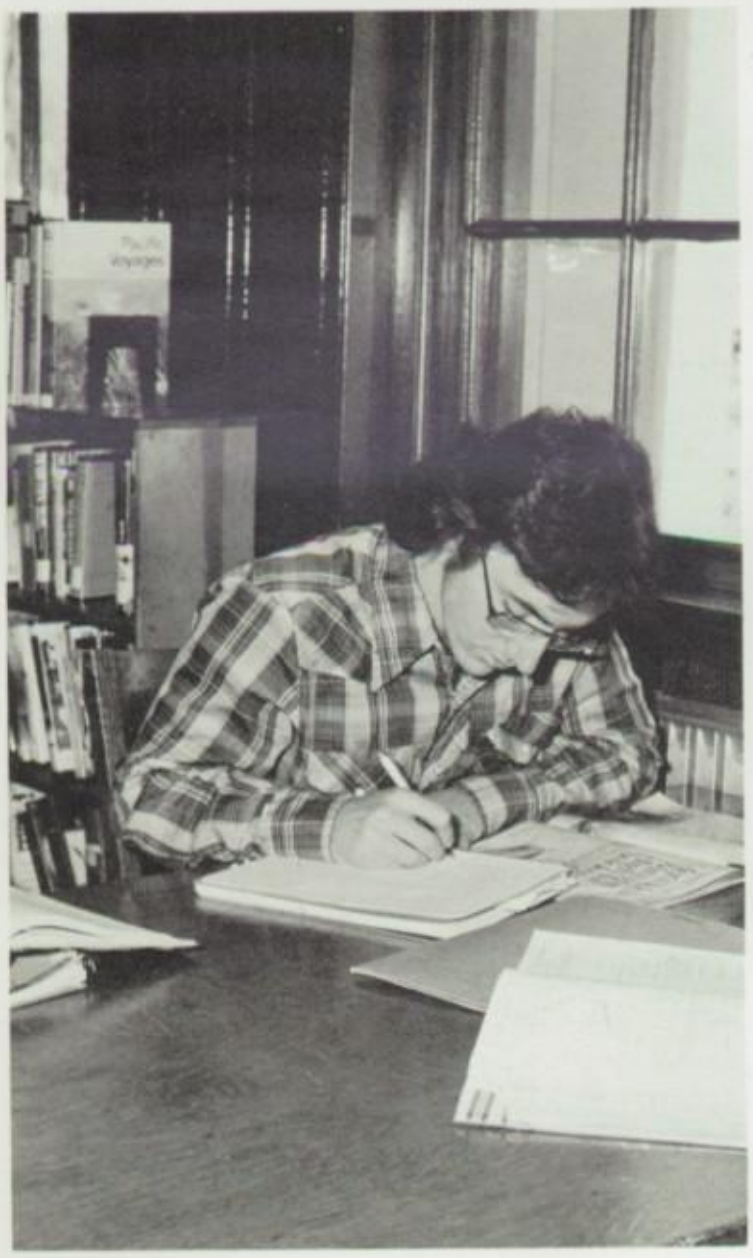
For the more artistically orientated, Bapst offers a two year art program. Under careful supervision and instruction, the student can master many skills including etching, pencil, silk screening, sculptoring, and pottery. Many students elect to study Art in order that they might have a more rounded education.



Preparing the student for a college career has always been the primary educational objective of John Bapst High School, and this remains the same today. The traditional academic courses still comprise the nucleus of the students' course load. As a result John Bapst High School graduates intelligent, logical, and mature young adults ready to meet the challenges of the modern world.



Our Purpose



Is Education.

The Classroom:

Disciplined Yet Relaxed

Although teachers at Bapst stress good study habits and in-class performance, the classroom atmosphere remains relaxed and sociable. Students are able to discuss problems with their teachers on a conversational level, while either taking notes or reading class material. The teachers are willing to find time to divert from structured schedules in order to hold discussions or debates, which benefit pupils while introducing them to various fields of education. While emphasis is placed on development in the ''Four R's'' the overall maturation of the student is helped along by free dialogue with teachers and peers, exposure to new situations, and learning how to deal with them, all of which will give the student a part of education not found in books.

Homecoming

This year's Homecoming proved to be a successful and enthusiastic one as many students participated in the parade, the making of posters, and supporting the Crusaders at the football game. During halftime of the game, Francine Littlejohn, a senior, was crowned the Homecoming Queen for 1978-79. As in previous years, the Quarterback Club inducted new members, one from each decade, into the John Bapst Hall of Fame.

Cheering Award winners, B. Redmen and F. Littlejohn, with Mrs. Pastore.

Awards Night

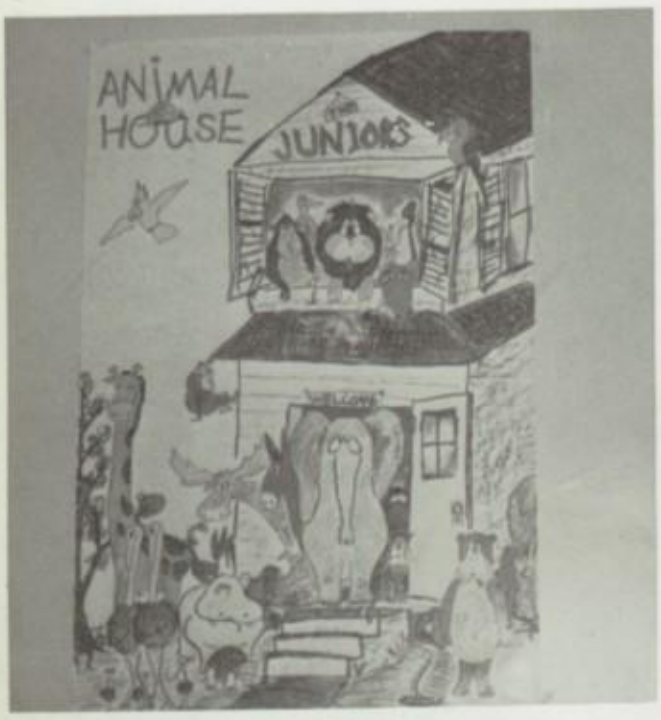
Following each athletic season, Bapst holds an awards banquet to acknowledge the members of the teams for their performances in their respective sport. The MVP's are chosen by their teammates for his or her outstanding achievements. The MIP's are also announced at the barquet and their improvement recognized with a special award. Each participant of a team received a certificate or a varsity letter.

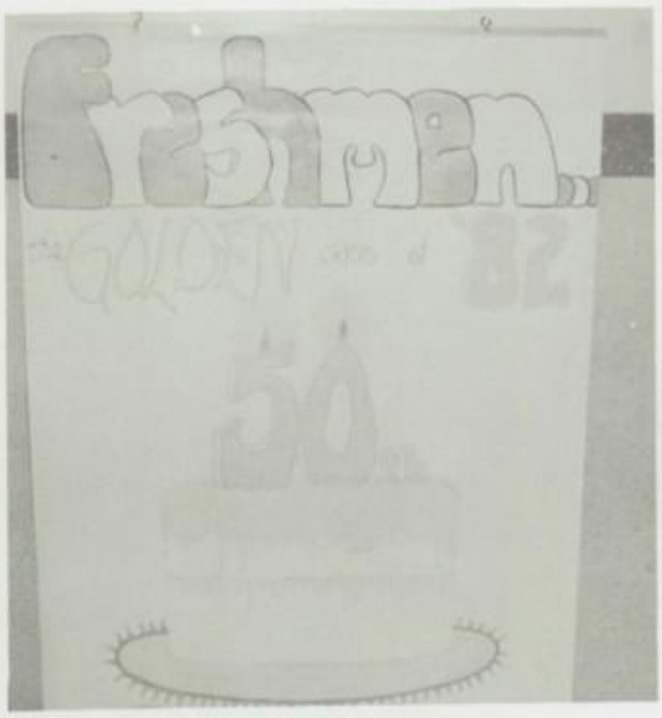
Crusaders Dress-Up For Fun.

Each year on two occasions, Halloween and Winter Carnival, SAC sponsors a dress-up day. Members of each class don various outlandish costumes and boost the morale of the entire school. The spirit exhibited on these days by the entire student body always provides the school with an atmosphere of nervous excitement as the active participants wait expectantly for the announcement of ''Best Costumes''. Eventually, the judges narrow down their choices to one member from each class, awarding each winner with a prize. The winning names are announced to the imaginative group at the end of the day and a tired but happy group retires from their costumes.

Winter Carnival: Short But Sweet.

Every year John Bapst holds a Winter Carnival and 1979 was no exception. In a shortened but thrill packed version, the entire student body had a down-to-earth good time. As in the past a Carnival Queen was selected, and this year's queen was Erin Walsh. The annual pie eating contest was won by junior. Richard Musson. Owen Monday, winner of the Legs Contest, led the juniors to yet another victory. The freshmen class was able to pull in only one win, the Poster Contest. Included in the carnival were volley-ball, floor hockey, and tug-o-war.





Seniors may be super, but the Juniors won it all!!

Crusader 1979,

A Book Of Memories.

Years from now when you want to remember the good old days or tell little white lies to your children or new friends, your Crusader will help rekindle those memories. Through the efforts of the yearbook staff, you, your friends, those funny-looking classmates, teachers, moments of victory or defeat, and the day by day activities have all been frozen in time so you will be able to recall the way it really was at John Bapst High School.

All to myself I think of you,
Think of the things we used to do,
Think of the things we used to say,
Think of each happy bygone day,
Sometimes I sigh, and sometimes
I smile,
But I keep each olden, golden while
All to myself.

Dramatics Club

The Dramatics Club, in conjunction with the Glee Club, eatures two musicals a year. Under the direction of Sr. Mar- ia and Mr. Trowell, these clubs involve over one-half the udent population at Bapst. Because everyone who tries out or the play secures a part, much enthusiasm is generated.

The Stingiest Man in Town, Dickens' Christmas Carol, was resented December 13, 14, and 15, and proved to be a eart-warming experience. Students may earn a major school tter, according to norms found in the Student Handbook, by aking a substantial contribution in their involvement with ramatics, as well as other awards, chief of which is an en- uring memory of the joy that one experiences when he makes Mankind his business."

The Key Club is a service organization which aids both the school and the community. Sponsored by the Bangor Kiwanis Club, the Key Club participates in such worthwhile projects as an annual blood drive, the Kenduskeag Stream clean-up, and the Kiwanis auction. The John Bapst Key Club is also involved in numerous inter-club activities from attending local businessmen's luncheons to challenging rival Key Clubs in sports contests. Here at John Bapst the Key Club is responsible for the delivery of milk to the homerooms and the selling of soda at dances.

At last year's District Convention the John Bapst Key Club won several honors and are hopeful of claiming more in the years to come.

In State.

The John Bapst cross country teams, in only their second year of competition, surpassed all expectations by becoming the 1978 state runner-ups for Class "C". This accomplishment only highlighted the feats of the current season which already included the capture of the Eastern Maine Regional Championships. The boys led by Donovan and Kenny, fourth and ninth respectively, compiled a team total of 91 points at the state meet to finish second, nine points behind Dirigo. Their counterparts, the lady Crusaders, managed a low score of 62 yet were edged by Monmouth for the state title.

The girls' execution of near perfect bunching in the state meet (8, 11, 13, 14, 15, 18) evidenced their consistency and team depth which led them to a 9-5 season. Led by MVP winner Cheryl Dexter, and MIP Toni Farrenkopf, the girls bested such perennial powers as Bangor, Hermon, MDI, Bucksport and Orono enroute to their 3rd place finish in the PVC.

The boys compiled their 14-4 record behind the front running of Senior Tim Donovan and Junior Kevin Kenny. Due to a strong effort by the entire squad the Crusaders easily outdistanced all other schools to capture the Eastern Maine Championship.

This season could mark the beginning of a X-country dynasty as the majority of the youthful Crusaders will return again next season. Only Senior Mary Sullivan will be lost for next season. The boys do lose three seniors from their varsity squad but have five strong runners, Kevin Kenny, Fergus Kenny, Chris Russell, Mike Quinn and Joe Walsh, upon which to build for next year.

Cheering

The John Bapst football and basketball teams received enthusiastic support throughout the season from the various cheering squads. The varsity and junior varsity squads (under the direction of Ms. Chris Pastore) provided the needed encouragement to their male counterparts and participated in many spirit raising endeavors. A Year Of Injuries

The 1978 varsity football team opened their season with strong promise and high hopes. Pre-season polls ranked John Bapst at the top of their division. However due to injuries to key players, the Crusaders could only manage a 3-7 season. The team did succeed in defeating Stearns and Old Town before succumbing to the effects of the numerous injuries.

Although the record may fail to indicate it, the varsity squad possessed many outstanding individuals. Making the All-Conference selections were David Pardilla, first team offensive lineman, Mark Peters, honorable mention linebacker, and Tom Cummings, honorable mention offensive running back.

Basketball 78-79

Although this year's varsity squad was able to manage only two wins, the team exhibited the highest level of team spirit and enthusiasm. Offensively the Crusaders were led by seniors, John O'Donnell and Tim Donovan, and junior, John Higgins. The majority of the rebounding chores was handled by John O'Donnell and Owen Monday with Butch Babin helping out in a reserve role. Doug Stanchfield was in charge of running the offense and anchoring the defense. Junior starter, Ed Gosselin, supplied additional punch to the Crusader offense. Girls Finish 7-9

The Lady Crusaders for 78-79 finished the season with a 7-9 record and narrowly missed the Class C Tournament. The girls' squad demonstrated sound B-ball skills as they compiled their best record in recent years. Though outsized and outmanned in every contest, the girls, through gutsy determination, managed to down such powers as Ellsworth, Mattanawcook, and MDI. Whenever injuries or foul trouble sidelined key players, reserves such as Darcy O'Donnell, Michelle Spekhardt, and Becky Chasse filled in admirably. Sophomore guards Tammy Stone and Toni Farrenkopf spearheaded a balanced offense with Tammy leading the team in scoring with 15.3 points per game. Rhonda Rioux, Velena Sockbeson and Chris McKay carried the rebounding load throughout the entire season. With the addition of strong J.V. players the Lady Crusaders appear destined to finally make the tournaments next year.

Girls' MVP., Francine Littlejohn

While competing in the tough A Loop of the P.V.C. the John Bapst girls compiled a 6-4 record. Through outstanding individual performances, nine new school records were established, highlighting the Crusader's second winning campaign. Field Event stalwart, Aimee Burke, and sprint ace, Francine Littlejohn proved to be steady performers throughout the entire '78' season. Receiving tremendous support from the freshmen contingent, the Crusaders managed to earn 11 spots in the state meet.

Scoring a total of 119 points, Francine Littlejohn earned her second consecutive MVP award, while Mary Sullivan was honored as the team's most improved runner. Mary Schulze and Mary Sullivan received this years' Coaches Awards.

With the loss of only 2 lettermen and the return of 21 squad members, including 13 letter winners, the lady Crusaders are certain to achieve their 3rd winning season.

1978

The 1978 track season was a very impressive one for the John Bapst boys. Coming up against such Eastern powers as Bucksport, Old Town and Orono, the boys managed to achieve a 6-4 record and finished third in the P.V.C., missing Orono and second place by only three points. The major goal of the Bapst boy's team was to excel in the State Meet and the proof of this was their outstanding third place showing in the state competition.

With the return of thirteen lettermen, accounting for 34 of the 40 state meet points, and the realignment of Class 'C', the Crusaders should again excel and possibly capture the state championship in '79'.

This year's Coaches Award went to the distance standout, Tim Donovan, as did the MVP honors. Bill Meehan was selected as the squad's Most Improved athlete.

Six school records were established during the season, most notably the :45.8, set by the 440-relay team in its first place finish at the state meet.

Track And Field . . . Something For Everyone

Track and Field is a unique sport because it provides for the development of individualized skills yet is dependent upon the team aspects for ultimate success. Unlike other sports, track and field does not have a bench. Each and every individual participates to his or her fullest in every meet regardless of their level of ability. Track and Field provides for the full spectrum of physical demands and emotional experiences, such as speed, endurance, stamina, strength, timing, joy, anguish, anger, frustration, pain and most of all self-pride.

Gus and Laura team up against Hampden.

In the '78' season the Crusader girls recorded a 5-10 record. Although it was not a winning season the girls did play tough and develop their ball playing skills. This was evident in their opening game against Bangor in which they scored a 22-21 come-from-behind victory. After that win the lady crusaders had their ups and downs, but their spirit never faultered even in a defeat.

''Miss Betty'' developed a fundamentally sound '78' team. From this team came such stars as MVP, Tammy Stone, and MIP, LuAnn Morneault. Though only a freshman Tammy Stone proved to be a solid all around player and should be an asset to the crusader team in the future. Other outstanding players were: sophomore catcher, Laura MacDonald, infielders, Rhonda Rioux, Toni Farrenkopf and Becky Chasse. The girls and ''Miss Betty'' are confident and are expecting a winning season for '79'.

Diamond Doings

The outstanding pitching of John O'Donnell, Tom Aucoin and Paul LeBlanc led the Crusaders through the '78 campaign. Tom Aucoin topped the hurlers with a 3-3 record, John O'Donnell collected two wins of his own as the team compiled a record of 6 wins and 9 losses for the season.

Pitcher John O'Donnell had the lowest Earned Run Average, 2.27, while Tom Aucoin displayed a 2.45.

It was not a lack of batting power that was responsible for the 9 losses, but the lack of consistency in defensive fielding. Rod Paulette led the offensive charge with a .450 batting average followed closely by John O'Donnell at .430. This strong offensive nucleus, accompanied by sound pitching, proved to be the mainstay of the '78 Crusader squad.

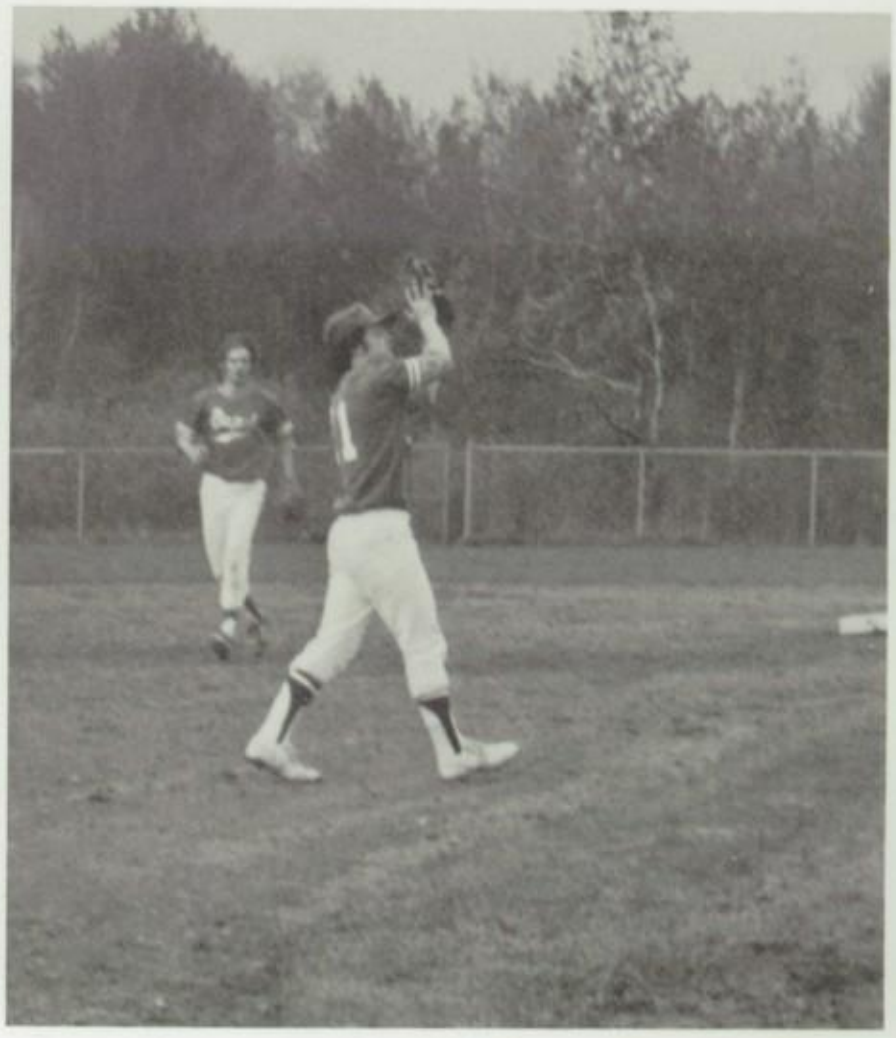
P.V.C. Action

Which one of you said I was a Yankee fan?

Did you see that?

Tom waits for the catch.



It's not home plate but its close.

The Future Looks Bright.

The MVP laurels were awarded to catcher Rod Paulette while Phil Hannan was selected as the MIP for the '78 season.

The Crusaders should definitely be a PVC contender this year. A sound pitching staff is the basis upon which any contender must be built and the entire Bapst staff will return in '79. Furthermore, through the experience gained this past season, the younger ballplayers developed the fundamentals of good defensive play. Hence, combined with the already proven offensive abilities these strong points almost guarantee the future success of the Bapst baseballers.

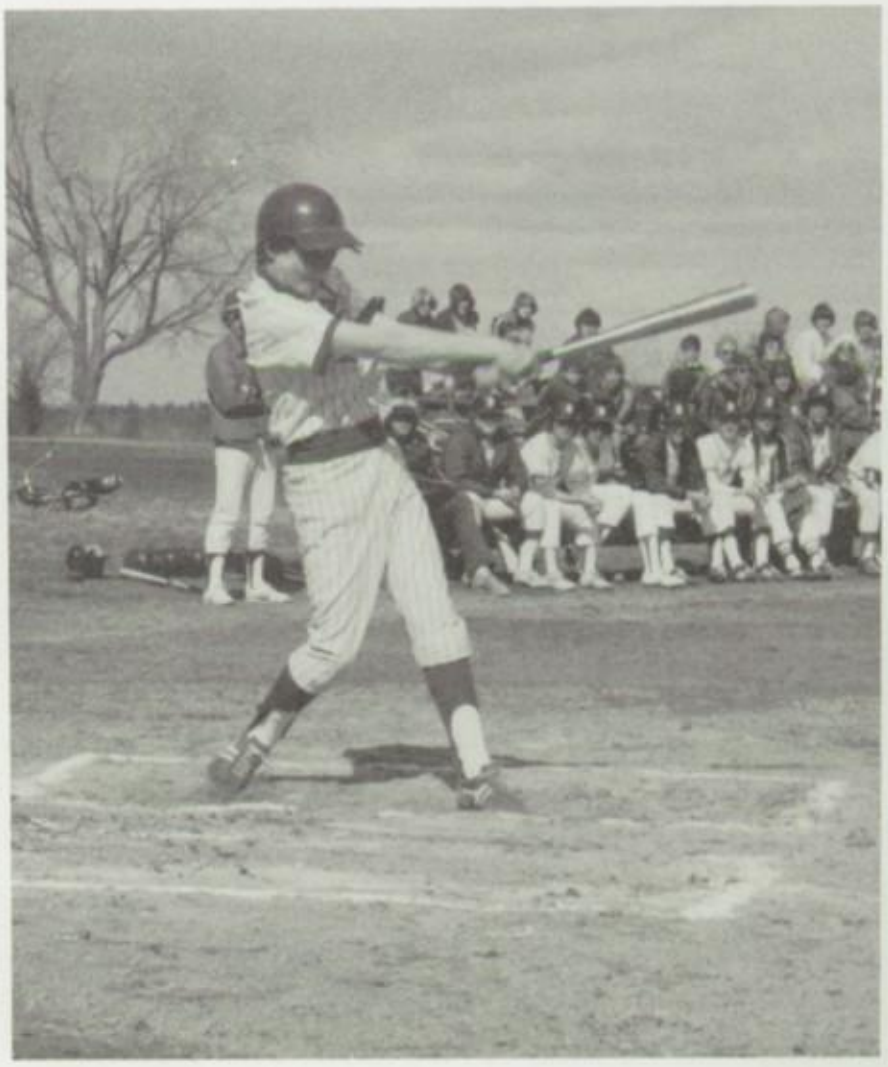
Freshmen Baseball

Ray Nichols drives the ball into centerfield.

Al Moreno beats out a single against Orono.



Marc Cretian cus loose in the batter's box.

First row: J. Morris, M. Wilson, D. Whitney, C. Babin, M. Sullivan, J. Walsh, M. Quinn, Second row: D. Winkler, J. Breedlove, R. Nichols, Coach Whitney, T. Ranney, M. Cretian, A. Moreno.

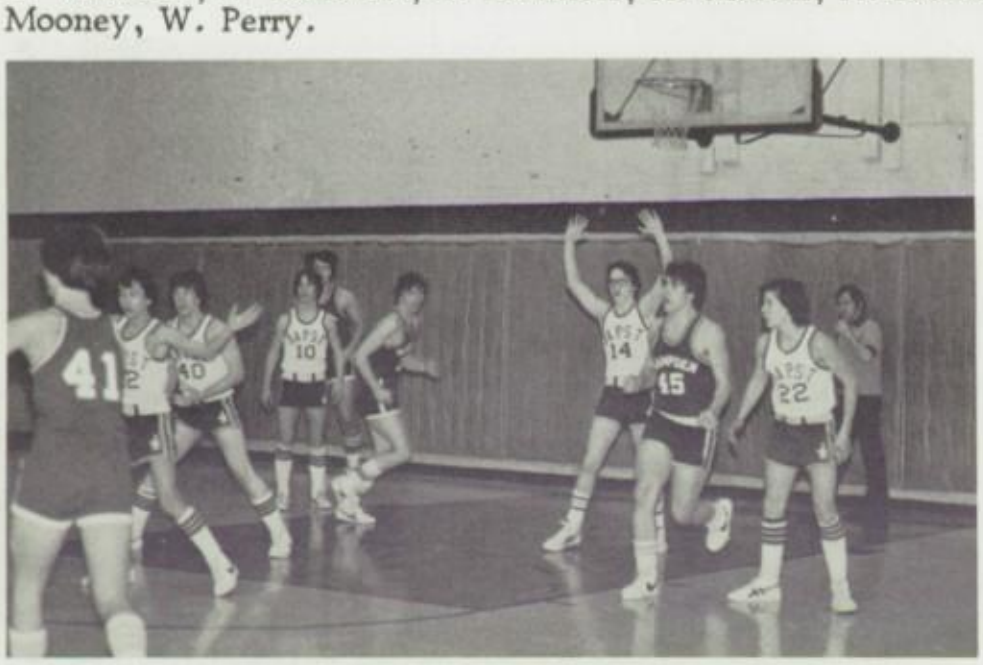
C'mon Freshmen The Varsity's Waiting.

Under the direction of first year coach, Dennis Whitney, the John Bapst freshmen baseball team rolled to a 6-4 record. Playing with a balanced offensive attack and a well constructed defense, the frosh sparkled all season all on the diamond. Power hitting and hustling fielding characterized the team. Their winning percentage of .600 indicates that they were one of the best freshmen squads in recent years.

Congratulations, freshmen, on a great season!

Freshmen Basketball

Front row: M. Butler, J. Sappier, M. Sullivan, C. Babin, J. Walsh, J. O'Toole, Back row: Coach Robert Liebow, L. Vielleux, P. Donovan, L. Brownell, K. Martin, H. Brownell, D. Bartlett, T. Burns, K. Sullivan. Absent: T. Mooney, W. Perry.



The 78-79 freshmen boys' basketball team picked up valuable game experience even though they were unable to win. The members of this year's squad learned to employ numerous offenses and defenses in preparation for their further basketball careers at John Bapst. The mainstays of the offense proved to be guards, Joe Walsh and Craig Babin, while the rebounding duties fell to Pat Donovan and David Bartlett.

John Bapst's newest varsity sport is Indoor Track. Under first year coach, Mr. Steve Dexter, the small squad of Crusaders represented their school and themselves admirably on the indoor circuit. Though winning was rare during the regular season, the thinclads were able to qualify eleven members of the team for the State Meet, held at Colby College and made a very fine showing in the competition.
